Re: Mid-Maine Communications, Inc.  
CC Docket No. 94-102  
E911 Phase II Interim Implementation Report

Dear Ms Dortch:

Mid-Maine Communications, Inc. ("MMC"), by counsel, hereby notifies the Commission that it assigned its PCS licenses, Call Signs KNLF933 and WPOJ828, to Devon Mobile Communications, L.P. pursuant to a Commission-approved assignment application<sup>1</sup> and MMC does not hold any other commercial wireless licenses. Accordingly, MMC did not file an Enhanced 911 ("E911") Phase II Interim Implementation Report pursuant to the Commission's Order to Stay dated July 26, 2002 (FCC 02-210) and is no longer subject to the Commission's E911 Rules.<sup>2</sup>

Please contact the undersigned if you have any questions regarding this report.

Sincerely,

  
John Kuykendall  
Its Attorney

cc: Patrick Forster, Policy Division, Wireless Telecommunications Bureau
